

## Claims and Coverage Consulting

---

Schuyler, Roche & Crisham attorneys provide coverage consulting and claim evaluation services to insurers for a wide variety of insurance product lines including: directors and officers liability, employment liability, commercial general liability, internet liability, cyber liability, social media liability, fiduciary liability and errors and omission insurance for lawyers, architects, engineers, accountants, stock brokers and dentists, as well as property, glass, trade credit insurance, excess and surplus lines, marine, environmental liability, business interruption, commercial crime and fidelity and mortgage impairment.

Schuyler, Roche & Crisham attorneys help their clients keep abreast of claim trends and industry developments impacting claim resolution strategies. The firm's attorneys provide their insurer clients with claim training and fraud prevention services. The firm's attorneys also assist their clients with product development, addressing underwriting issues and drafting endorsements for specialty coverages and niche products.
