With over 25 years of experience, our insurance practice group leaders work with clients to develop and refine innovative insurance products, address regulatory issues and resolve coverage disputes. The breadth of the group's experience makes our insurance team uniquely situated to provide our clients with insight from a panoramic perspective that takes into consideration the impact of regulatory laws and developments, industry trends and litigation issues, enabling us to assist our clients in resolving coverage and claim disputes fairly and promptly and in accordance with applicable claim handling requirements.

Our team members have facilitated the resolution of countless complex commercial insurance claims. In situations where litigation or arbitration has been necessary, we have represented our clients at each phase of the process, from the filing of initial pleadings, discovery and motion practice, through trial and appeal.

### **The Schuyler, Roche & Crisham Insurance team regularly handles:**

- **Claims and Coverage Consulting**
- **Coverage Litigation and Arbitration**
- **Insurance Industry Advocacy and Litigation**
